MEN'S SOCCER

The 2006 fall sports season has proved to be a great one for the record books at Beloit. The Buccaneer Volleyball team claimed their first Midwest Conference Championship since 1995. The team also captured the MWC tournament title which earned them an automatic bid to their first-ever NCAA Division III Volleyball Tournament. The men's soccer team also captured their first Midwest Conference regular season championship since 1974 with an 11-4-1 record. Head Coach, Tim Schmiechen was also named Coach of the Year.

PUTTING
RESOURCES
INTO DEVELOPING
EXCELLENCE...

The coaches, trainers, and staff of the Beloit College Athletic Department work tirelessly to build and enhance our Buccaneer athletic programs. This year, we have celebrated some exciting accomplishments which makes your support of the Buc Booster Club more important than ever. The competitive nature of intercollegiate athletics at the Division III level provides a challenge that we want to meet.

Beloit is committed to athletics as an essential element of its co-curricular experience. With your help, we can secure the additional resources we need to ultimately ensure that the quality of that experience and the competitive level of play mirror the academic excellence of this exceptional institution.

I hope I can count on you to support this special group of young men and women. Thank you.

Kim Chandler
 Director of Athletics
