Competitive CLS Director's Scholarships

Summer Intensive Language Studies at Beloit

Beloit College is pleased to offer CLS Director's Scholarships to qualified applicants from across the nation to attend the Center for Language Studies programs at Beloit College in summer 2012. These merit-based scholarships are competitive and will range from \$1,000 to \$1,500.

As one of the nation's premier summer intensive language programs, the Center for Language Studies (CLS) offers a liberal arts approach to language study that is effective for learners at all levels, from beginning to advanced. Our model features superb teachers, personalized instruction, 22 hours a week of classroom study, an integrated approach to language and culture, and a variety of related extracurricular activities.

We are extremely excited about this initiative and are looking for high-achieving students interested in taking advantage of this great opportunity to study these critical need languages. Arabic, Chinese, Japanese, and Russian are offered in the eight-week session running from June 16 to August 10.

The CLS Director's Scholarship may only be applied toward the cost of tuition and fees. The scholarship may not be applied toward the cost of room and board.

Students may apply directly for the CLS Director's Scholarship through the CLS online application at www.beloit.edu/cls. Students with a GPA of 3.0 or higher will receive priority

consideration for the CLS Director's Scholarship.

The deadline for applications is April 23, 2012 with announcements being made on a rolling basis.
