Are you ready for a journey of discovery to vibrant Medieval Spain? Are you ready to learn about the unique history of a shared culture and to explore the “Green Revolution” ideology that led to the construction of cities-palaces that promoted and ultimately achieved a sustainable way of life? Are you ready to engage in academic dialogue that will enhance your own intercultural competencies, communication skills, and ability to articulate your own identity and cultural experience? If you answered yes, then join #BeloitInSpain!
