*The Education and Youth Studies Department of Beloit College, in compliance with Wisconsin Department of Public Instruction regulations for teacher certification programs, requires that candidates for student teaching obtain recommendations from content area faculty assessing the candidate’s disciplinary knowledge and skills.*

The student whose name appears above plans to student teach next fall. Please complete this form and return it to the EDYS Department. (You may either print it out and return it via campus mail, or send it via email.) Thank you in advance for your assistance.

1. What strengths can you identify in this candidate's knowledge and skills, especially in the content area(s) for which they are seeking a teaching license?

2. What weaknesses or gaps can you identify in this candidate's knowledge and skills, especially in the content area(s) for which they are seeking a teaching license?

3. Would you recommend this candidate for student teaching this coming school year?

_____ Yes  _____ Yes, with reservations  _____ No

Please explain.

Name of faculty member providing recommendation
