The Department of Education and Youth Studies would love to hear from our alumni with career updates.

1. What are you doing now professionally?

2. If you are teaching, what school, grade level and subject?

3. Is there any news that you would like to share with us from your classroom or work experience?

4. Let us know how your Beloit College experience continues to influence your teaching and/or work.

5. Are there any teaching tips you would like to share with the other grads and future teachers?

6. Are there any accomplishments or awards you have received or other news you would like to share with us? If so, please let us know if you do not wish it published.

7. If you would like to provide a picture of yourself, we will try to include it in the newsletter.

Please email your answers to edys@beloit.edu. Thank you for your response.
