

Beloit College 2019-2020 Verification Worksheet

Dependent Student

Your 2019-2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The federal government requires us to confirm the information you and your parent(s) reported on your FAFSA prior to awarding Federal Student Aid. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents you are required to submit. You and at least one parent must complete and sign this worksheet, attach the required documents, and submit the form to the financial aid administrators at Beloit College's Office of Financial Aid. You may be contacted by the Financial Aid office staff to request additional information or for clarification regarding the information you provided. If you have questions about verification, contact the Office of Financial Aid.

How to request an IRS Tax Return Transcript

*Tax Account Transcripts and signed copies of the tax return are **no longer acceptable for verification purposes.***

There are four different ways to request a tax return transcript:

- 1) **ONLINE:** Go to IRS.gov, click on "Get Your Tax Record." Click "Get Transcript ONLINE." Make sure to request the "IRS Tax Return Transcript" and NOT the "IRS Tax Account Transcript." To use the Get Transcript Online tool, the user must have (1) access to a valid email address, (2) a text-enabled mobile phone (pay-as-you-go plans cannot be used) in the user's name, and (3) specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan). The transcript displays online upon successful completion of the IRS's two step authentication. If you are unable to create an account online, see #2.
- 2) **MAIL:** Go to IRS.gov, click "Get Your Tax Record" and then click "Get Transcript by MAIL." Make sure to request the "IRS Tax Return Transcript" NOT the "IRS Tax Account Transcript." The transcript is generally received within 10 business days from the IRS's receipt of the online request.
- 3) **BY PHONE:** To order by phone, call 800-908-9946 and follow the prompts.
- 4) **PAPER:** Complete Form 4506-T (can be obtained from IRS.gov or <https://www.irs.gov/pub/irs-pdf/f4506t.pdf>) and mail/fax into the address listed on the form.

How to request a Verification of Non-Filing Letter

The Verification of Non-Filing Letter provides proof that the IRS has no record of a filed Form 1040, 1040A, or 1040EZ for the year you requested. It doesn't indicate whether you were required to file a return for that year.

There are two ways to request a Verification of Non-Filing Letter:

- 1) **ONLINE:** (For individuals who have filed taxes in prior years only. If you have never filed a tax return before, please see #2) Go to IRS.gov and click on Get Your Tax Record. Click "Get Transcript ONLINE." If at any point you cannot validate your identity, please see #2.
- 2) **Paper Request:** Download the IRS Form 4506-T at IRS.gov. Complete the form and submit to the IRS using the address or fax number provided on page 2 of the form. You can expect to receive the Verification of Non-Filing via mail within 10 days.
