

## Online International Internships

### Application essay prompt

In a 300-to 500-word essay, please 1) identify the focus of your intended online study abroad, 2) how you hope it will contribute to the internationalization of your education, and 3) which learning outcome(s) you most want to focus on by engaging in online study abroad.

Before writing your essay, please refer to the college's International Education Mission Statement and its Integrated Learning Outcomes. Scroll down [this page](#) to find them.
