Physics – Off-Campus Study

More information: Office of International Education: oie@beloit.edu http://www.beloit.edu/oie/

**Study Abroad**

**Australia – ISEP: Macquarie University, Sydney**
*Fall, spring (southern hemisphere calendar)*  
Language: English  
Prereqs: 2.5 gpa, 3.0 for internship; previous coursework in field to qualify for advanced courses.  
Housing: On campus residence halls/off-campus apartments, students provide own meals.  
Details: Study with local students; extensive departmental courses in physics; faculty research areas include laser & optical physics, optics & electronics of materials, quantum optics, quantum information science, astronomy & astrophysics, mathematical physics, and biophysics; orientation and a guide to Sydney on line; internships possible, volunteer opportunities available.  

**Ghana – ISEP: University of Ghana, Legon**
*Fall, spring, academic year*  
Language: English, beginning Twi language course  
Prereqs: 3.0 gpa, previous coursework with African content recommended; students expected to enroll in a beginning Twi language course at the University of Ghana.  
Housing: International student hostel on campus, stipend provided for meals.  
Details: Study with Ghanaian and international students; Institute of African Studies (beginning level courses), courses in physics at beginning to advanced levels; orientation program; resident director; sports and volunteering available.  
http://www.isep.org/students/Directory/member_site.asp?CSID=78&ID=193

**New Zealand – ISEP: Massey University, 3 campuses**
*Fall (July-Nov), spring*  
Language: English, language courses in Maori available.  
Prereqs: Junior or Senior standing; see individual courses for terms of admission.  
Housing: single occupancy residences, shared bath; students provide own meals.  
Details: complete course listings in physics, along with a diverse curriculum. Many opportunities for outdoor activity around campus.  
http://www.isep.org/students/Directory/member_site.asp?CSID=201&ID=15

**Turkey – Yeditepe University, Istanbul**
*Exchange, spring or academic year*  
Language: English  
Prereqs: Previous coursework relative to the understanding of Turkey.  
Housing: Shared rooms with bath, mini refrigerator and phone in University residence halls; linens are provided; students provide own meals at university cafeterias, snack bars and restaurants.  
Details: Study in English with local and international students; courses from wide range of university offerings including the faculties of arts and sciences, fine arts including theatre, and economics and political science; university located on the European side of Istanbul in the heart of the city; easy access to public transportation.

**United Kingdom – ISEP: University of Central Lancashire**
*Spring only*  
Language: English  
Prerequisites: Prior study in mathematics  
Housing: Residence halls on campus; cooking facilities available; food stipend.  
Details: The physics department bases its teaching on experiment and analysis applicable across disciplines. Over 500 other fields of study. Combined Honors program offers inter-disciplinary combinations.

ACM – Oak Ridge Science Semester, Oak Ridge, TN*

**Fall**

**Prereqs:** 3.0 cumulative GPA and in the major; senior standing preferred, juniors considered; major in biology, chemistry, computer science, physics or social sciences.

**Housing:** Shared single bedroom apartment; students provide own meals.

**Details:** Program focus on national and global energy and environmental issues; students earn academic credit for research in ongoing investigations guided by a mentor; interdisciplinary seminar course, advanced course options; guest speakers, departmental colloquia.
