Advisor Clearance

Click on the “Academics” tab and then on the “Courses/Registration” link on the left:

You’ll see a message if you have not been cleared for registration by your advisor. When your advisor clears you for registration, the text blocked in red below disappears.
How to Search for Courses

- Click on the “Course Search” tab. You don’t even need to log in if you just want to peruse the course offerings for the term:

- Click on “course search” again:
• To view the full list of courses, leave “department” set to “all”.
• To narrow your search:
  o Select a specific “department” from the drop down menu.
  o Use the “course type” drop down menu to view courses that fulfill specific skills and domain requirements (see drop down for all available options).
  o Use other available individual search options and combinations of options.

Course search results:

• Click on the course number to see course details, such as description, prerequisites, etc.
• This course has prerequisites: click on the “course requisites” for more information:

How to Register for Courses

- **Log in to the Portal.** After you log in, click on the “Academics” tab and then on “Courses/Registration” on the left side of the screen.
**Option 1: Add by Course Code**

1) Navigate to the **Academics tab** and then the Courses/Registration page within the Portal.
2) Click the **Add/Drop Courses link** in the Course Schedules area.
3) The term will default to the term for which you are allowed to register. Take a quick glance to make sure it does correspond to the correct term.
4) **Enter the course codes** that you wish to register for. When you start typing, an autocomplete menu will appear with matching course choices. Select the course section you want to enroll in rather than typing in the whole course code, to avoid errors in spacing between the components of the course code.
5) Click the **Add Course(s) button** to register.
