Department/Position Overview
The graphic designer position works collaboratively with the Communications and Marketing team on projects related to print and digital design. Familiarity with the Adobe Suite of graphic editing software is preferred.
This position is a part of the Collective. The Collective aims to create a collaborative environment where students are able to complete both assigned and self-designed projects with a greater degree of creativity and agency. In short, it is an effort to help students make the most of their work study by allowing them to develop their technical and professional skill sets, produce tangible work which they can claim as their own, learn and discover new areas of interest, and enjoy themselves while contributing to the goals of the organization.
