Number of positions available: 1

Work Schedule

A student in this position can expect to work **at least 2** hours per day, **10** hours per week.

The student will work ☒ Monday thru Friday ☐ Saturday ☐ Sunday ☐ any day of the week.

Hours are available during the following times of the day: **8:00 am - 5:00 pm**.

Department/Position Overview

Student will update web sites using the content management system, Reason. Reviewing and responding to emails sent to the general web services account, answering questions and notifying customers when their request has been completed. Student will also work with advanced scripting in PHP, Javascript, mySQL and HTML, using Dreamweaver or another code editing tool of choice. Student may be asked to create or modify images for web use using tools such as Adobe Photoshop.

This position is a part of the Collective. The Collective aims to create a collaborative environment where students are able to complete both assigned and self-designed projects with a greater degree of creativity and agency. In short, it is an effort to help students make the most of their work study by allowing them to develop their technical and professional skill sets, produce tangible work which they can claim as their own, learn and discover new areas of interest, and enjoy themselves while contributing to the goals of the organization.
