Description of Duties and Tasks

- Interact with and convey a positive attitude to visitors and the campus community in person or by phone
- Conform to an established work schedule; reliably work set hours as assigned
- Perform clerical duties in support of the department, i.e. data entry, filing, copying, mailings, etc.
- Maintain the confidentiality of departmental/employee/student information
- Run errands on and/or off campus, including campus mail pick-up and delivery
- Perform light cleaning, departmental organization, and upkeep as required
- Work efficiently and accurately without immediate supervision
- Answer student questions, but try to guide students through process so they may develop answers to their own questions.
- Assist students in the performance of laboratory experiments. Check set-ups and demonstrate proper techniques. Circulate and make yourself available to all students so each student may ask questions.
- Promote safety in the laboratory. Be alert for potentially unsafe practices, and correct them or bring them to the attention of faculty. Enforce proper use of safety goggles and collection of chemical waste.
- Hold office hour sessions or appointments for students needing help with laboratory write-ups, drafts of written assignments, summaries of readings, etc.
