SECTION 2: PROJECT ESSAY

Beloit College is committed to sustainability. Sustainability requires that we meet the needs of the present generation without compromising the ability of future generations to meet their needs by focusing on the environmental, economic, social and ethical aspects of human decision-making and action.

In 3-5 paragraphs please describe how your project meets Beloit College’s definition of Sustainability. Please be sure to address how your project incorporates the following sustainability categories within your essay:

● Environmental
● Economic
● Social
● Ethical
**Project Stakeholders:** Please state who the key stakeholders of your project are. Indicate who the project will impact and which faculty/staff will be responsible for the supervision of the project.

The Revolving Loan Fund requires support from at least one faculty member and student as well as the department, which repays the loan. Please include signatures from each below. If submitting electronically, please include the supporting member names below and support will be verified by the board chair.
